

Finding Petroleum

'One Day' Media Pack

In 2015, Finding Petroleum are holding very special one day events.

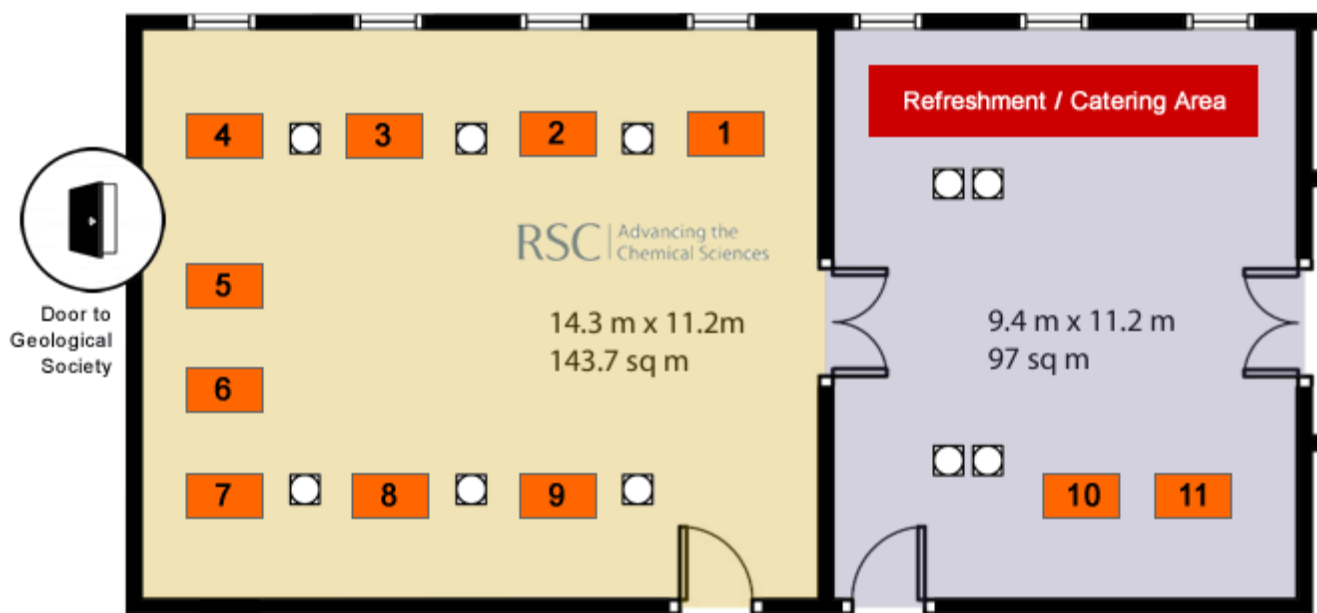

Please see our [calendar](#) for dates.

- Full day events, with speakers from leading oil companies and government departments.
- Events to be held across two venues - The Geological Society and the Chemistry Society.

The venues are linked by an internal door, allowing easy passage between the two. The talks will take place in the Geological Society theatre, and the stands and refreshments will be in the Chemistry Society.

We invite you to become a part of these important events.

Stand layout at the Chemistry Society
